I also agree to the Name Dispute Resolution Policy.

I understand that Metadigm will make a charge of £200 per year (or part year) for managing each domain name. This will be renewable annually at your option. Failure to renew will result in a cessation of service which may cause loss of email, web and other access dependent on the domain name.

I authorise Metadigm Ltd to register the new domain names / transfer existing domains as detailed above.

Please Note: If you are transferring a domain name to Metadigm you should fax your current domain manager (usually your ISP) asking them to release the domain(s) to Metadigm Ltd on request. This should be signed and on letterhead. Please send this authorisation to your ISP before faxing this form to Metadigm.
